PRESIDENT'S MESSAGE

Welcome to the 2019 Virden Indoor Rodeo and Wild West Daze. I want to take this opportunity to thank all the sponsors, fans and volunteers. This event is a big undertaking and wouldn't be possible without all these people. There are two main committees that help bring this weekend to community and many more subcommittees. Together we bring an action packed weekend from Thursday to Sunday. There is something for everyone here, rodeos, a derby, downtown events, parades, the dance and more. It takes a years worth of planning and when it comes together I think we have a community event that is rivalled by few. Again I would like to thank everyone involved in making this weekend happen, stay safe and have fun and good luck to all the contestants!

RODEO ANNOUNCER

DOUG YOUNG

The Virden Indoor Rodeo is one the most highly regarded and respected rodeos to attend for rodeo competitors from all over the World. It's one of those location boxes you want to tick if you are serious about rodeo. A championship here carries a lot of weight among the rodeo community because there is no doubt that the best come here to do their best. A combination of excellent rodeo stock, a well-designed venue and a knowledgeable, hardworking rodeo committee with the support of a great group of sponsors has been a recipe of success for over 30 years. In that time the commitment to detail, to put on the best show possible for the good of the community has not changed one bit.

Rodeo is an interesting blend of our North American Western Heritage and modern sport. You would be hard pressed to find a better place, or a better group to bring it to you. Please sit back and enjoy the ride-welcome to Virden—welcome to Rodeo.

STOCK CONTRACTOR

PRIME TIME RODEO

CASEY BROWN MEMORIAL

In honor of the late Casey Brown, an award plaque and a cash purse is up for grabs to the team roping duo who betters the current arena record in the team roping at the Virden Indoor Rodeo. The cash purse will grow in size each year the record remains unbroken.

Casey Brown, the eldest son of Judy and Lyle Brown died suddenly in an automobile accident in Hamiota, on May 1st, 2011, leaving a huge void in his family and the horse world.

The Brown Family teamed up with Spark's Oilfield and staff, Casey's former employer, to come up with the award.

Casey grew up in the rodeo circles, and eventually honed his skills enough to where he was a regular on the rodeo trail for many years. Over the years Casey competed in the Calf roping and team roping mainly and dabbled in the steer wrestling once in a while. Casey mainly heeled throughout his rodeo career. Over the years Casey shared success with many different partners, the most notables being his Dad Lyle, who he started out with, as well as Mike Pernarowski and Kevin MaCannell were also partners that Casey travelled with and qualified for the MRCA finals several times.

When the Bounty originally started the arena record was held by Casey's younger brothers, Lonnie and Shane, with a time of 4.6 seconds set in 2007. In 2014 the bounty was collected for the first time. A time of 4.5 seconds set by Clint Weston and Tyler Paicu was just fast enough for them to claim the new arena record and collect the bounty money! Now the bounty will start to grow year after year until the record is broke again.

TIM HORTONS SALUTE TO THE VOLUNTEERS

The Virden Indoor Rodeo and Wild West Daze is a tremendous undertaking. Its continued success and growth over the past 30 years is in large part due to the hundreds of volunteers who have given tirelessly of their time and talents over the years.

Many of these volunteers are carrying out duties related to their occupations, people doing what they do best. However many others have taken on roles for which their dedication and enthusiasm is their greatest qualification.

Most of this work is done behind the scenes and isn't at all glamorous, and often down right hard work, but it is the people filling these roles especially that are so vital to this weekend.

On this, the 31st Virden Indoor Rodeo, we salute the hundreds of volunteers who have contributed so greatly to this event over the years.
