

Dear Sponsors

Due to recent events happening in our community the Virden Indoor Rodeo & Wild West Daze governing body, have come to the decision to cancel the 2020 Virden Indoor Rodeo and Wild West Daze August 13-16/2020. This decision was not made lightly and was given much discussion and thought. Rodeo Weekend has been a signature event for our community and has continually entertained many local and visiting sponsors, rodeo fans and participants over the past 31 years. However, our committees felt that the health of our community, our sponsors and our volunteers was paramount over all other factors.

Today we are without doubt, all concerned for our health and well-being given the current circumstances with the COVID-19 pandemic. Because of this, coupled with a major downturn in our economy, we felt it prudent to make this decision at this time. No doubt this will pass, and we will move forward together in the organization and planning of the 2021 Wild West Daze Weekend. On behalf of the rodeo committee, we want to extend our thanks and gratitude to all sponsors for their past support and efforts to see this event flourish. I would also like to note that all sponsorship positions will remain intact as we go into the 2021 planning stage.

If you have any questions regarding this notice, please feel free to reach out to Kyle or myself at any time.

Regards
